■ Sharp Sight Centre

(Bausch and Lomb Certified "Excellence in cataract surgery") as always bringing latest in eye care to Delhi) Under the able Guidance of

Dr Kamal Dr. Samir Sud and Dr Kamal B. Kapur.

Announces the launch of New Retinal Services Unit along with installation of new retinal laser and other machines for treatment options for various retinal disorders including diabetic retinopathy. Sharp sight centre(E) is an ultra modern state of art eye center inaugurated by then Health Minister of India Sh. Shatrughan Sinha. It was the first center in Asia/India and is still the only one in Delhi/NCR to install worlds most advanced **Phacoemulsification** machine for **Cataract Removal "The STELLARIS"** (By Bausch and Lomb). This machine can remove cataract through 1-1.8 mm hole. A special **Intra Ocular Lens-MIL** can be inserted through this hole, most of other phacomachines require 3mm or above, Thus making cataract surgery even safer in all weather conditions i.e. Summers, reducing this cut size further gives immense benefits like being absolutely painless, Instant vision recovery, Best vision quality and Minimal post operative restrictions. The centre has successfully performed more than 500 such successful operations. SSCenter had also recently acquired worlds only **Solid State Lasik for Removal of Spectacles**, again being the only such machine in Delhi/NCR, compared to other machines which utilize toxic gases to generate laser, this utilizes solid state crystals. This ensures very accurate results. It has the Distinction of being one of the world's most accurate Lasik machines. **We are Income Tax Exempted certified, CGHS, NDMC and PSU empanelled and with all cashless mediclaim facilities.**

■ Forever Young

NXT - Body Lift - The secret behind Hollywood & Bollywood young looks is now revealed. **NXT - Body Lift** - powered by **Thermage**, the next generation anti-ageing treatment is now available and can make you look young now and always, well almost. As we age, the cell renewal process slows down, skin support &

elastic collagen reduce, gravity continually pulls down on the skin, stress takes it's toll & the sun saps away youth - we start looking old. Till lately, ageing was considered inevitable and irreversible but today advances in anti-ageing medicine and the intervention of technology have made it possible to satisfy the aspiration to look youthful all along. Various creams and lotions have been projected as anti-ageing solutions since time immemorial, however, the results have always been suspect - either not visible or temporary. **Thermage** is the new age wonder treatment that is non-surgical and works from within. The treatment remodels and regenerates the lost collagen there by improving the skin tone, texture and elasticity. The effects of the treatment are visible from day one and continue improving for next six months. **NXT-Body Lift** combines the best of all available anti-ageing solutions. Depending on the extent of ageing and the need for correction a program is worked out for the patient. High end medicines provide the maintenance treatment and make the effects longer lasting and more prominent. Using a combination of various treatments also makes the improvement gradual and therefore less obvious. **Thermage** is US FDA approved and is particularly effective in treating face, abdominal area, thighs, hands and feet. It is also the only non-surgical treatment for treating the skin folds on eye lids. For all those who wonder, how film stars continue to look young even after they are beyond their prime - the answer is **Thermage**. **Atelier** is an exclusive cosmetic surgery clinic & is the first **Thermage certified plastic surgery clinic in India**. Atelier offers complete range of latest top end surgical, non-surgical, laser & anti-ageing treatments under one roof. At Atelier, all procedures are performed by qualified doctors. **ATELIER - D-57, Hauz Khas, N Delhi - 16. Ph : +919873172631, 011-46071101, 1102 email- info@atelieraesthetics.com**
