

# Rajasthan

Hon'ble Chief Minister of Rajasthan  
Smt. Vasundhara Raje

Laid the  
Foundation Stone  
of

**1700 MW**  
Power Projects

"My aim is to make Rajasthan self-reliant in the power sector as this is the gateway for all round development, growth and prosperity of our state."

*Vasundhara Raje*

## KALISINDH

Super Thermal Power Project  
Jhalawar

(2 x 600 MW = 1200 MW)

## CHHABRA

(IIInd Phase - Unit 3 & 4)  
Super Thermal Power Project

(2 x 250 MW = 500 MW)

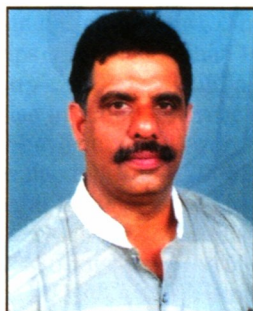

The yearly generation programme for  
self-reliance in power

Target of Additional  
Power Generation of 8,174 MW

| Year    | Additional Power Generation |
|---------|-----------------------------|
| 2007    | 635 MW (Installed)          |
| 2008-09 | 2,179 MW                    |
| 2009-10 | 2,120 MW                    |
| 2010-12 | 3,240 MW                    |

Rajasthan is amongst the only  
3 states in India that have met the  
target of power generation under the  
11th Five Year Plan

70% capacity increase targetted in  
11th Plan Period to be achieved in just  
2 yrs, by March, 2009

**Shri Gajendra Singh Khimsar**  
Hon'ble Minister of State for Energy,  
Rajasthan  
presided over the function

**Shri Dushyant Singh**  
Hon'ble Member of Parliament,  
Jhalawar
