

Transport

The Hon'ble Chief Minister of Tamilnadu, Dr. K. Jeyaraj, flagged the start of a 1000 fleet new Transportation buses in Chennai Broadway Bus Terminal on 03.01.2008. He also granted the promotion of the staffs & appointment order for the heirs during the occasion.

■ Revolutionizing Public Transportation

With the burgeoning population, the demand for public transportation has been incrementally rising with every year. The Government didn't fail to rise to the occasion. The administration of road transportation through STCS (State Transport Corporations) has been hailed as a praiseworthy effort and major success story that the government can justifiably be proud of. Since assuming charge in 2006, the government has introduced 6,425 buses on 1,124 new routes. A sum of Rs.18.63 crore has been spent in two years for upgrading transport offices and the construction of new buildings in various towns and districts of the state.

The North Chennai, Thondiarpet branch office has been upgraded to a Regional Transport Office (RTO) at a cost of Rs. 24.32 lakh. New branches at a cost of Rs. 47.04 each at Tambaram, Poonamallee, Pattukottai, Paramakudi and Manaparai have been opened. New buildings for RTOs for Tiruchirapalli, Erode, Tiruvarur, Madurai and Salem at a cost of Rs. 6.45 crore have been opened.

RTOs have also been opened at Salem (East) and Tirupur (South) at a cost of Rs. 62 lakh each. New RTOs at a cost of Rs. 47.50 each have been inaugurated at Bhavani, Omalur, Thiruverumbur, Kulithalai and Arakonam. The RTOs at Sankari, Perunthurai, Marthandam and Triplicane have been upgraded at a cost of Rs. 1 crore. New buildings for RTOs at Tiruchengode, Tiruvannamalai, Periyakulam, and

Pudukottai have been constructed at a cost of Rs. 5 crore. Testing track for RTOs at Tiruvarur, Nagapattinam and Erode at a cost of Rs. 81 lakh each have been laid. Testing track at Kovilpatti branch has been laid at a cost of Rs. 27 lakh. A flurry of initiatives has seen the number of transport offices being increased to 53 RTOs, 45 branch offices, 20 check posts and 7 divisional offices. The new and upgraded transport offices at various places in the state are expected to provide better service sans hassles to the public.

The computerization drive has enabled the transport offices to deliver quick services like issuing of licenses and vehicle tax collection at all of its offices. Agreements with neighbouring states has enabled the state to ply 477 buses from Tamilnadu to Karnataka and Andhra Pradesh and 485 buses vice versa, operated from the respective states. Inter-state permits for goods carriers and cars have been increased to 43,800 and 6,950 respectively.

As many as 3,965 mini-buses are being operated to provide bus facility to remote places in the state. To inculcate road safety awareness, the transport ministry has allotted a sum of Rs. 16 crore during the last two years. A sum of Rs. 65 lakh had also allotted towards increasing awareness through the Road Safety Week programme every year during the first week of January. To cater to the dynamic needs of the states economic growth, the transport ministry is going all out to meet the formers demand for adequate infrastructure.
