

## NORTH: Racing Up

A combination of agricultural growth along with investment in industry and infrastructure has delivered growth. Prosperity seems clustered around a contiguous zone of Delhi, Punjab, Chandigarh and Himachal Pradesh. If Punjab improves law and order, and Himachal Pradesh agriculture, this zone could emerge as the new fulcrum of income and consumption.

### NORTHERN ZONE

| Overall Rank     | Agriculture | Consumer Markets | Primary Education | Law & Order | Primary Health | Infrastructure | Investment | B. Ratio |
|------------------|-------------|------------------|-------------------|-------------|----------------|----------------|------------|----------|
| DELHI            | 1           | 3                | 2                 | 4           | 4              | 1              | 2          | 2        |
| CHANDIGARH       | 2           | 4                | 1                 | 2           | 1              | 8              | 4          | 1        |
| PUNJAB           | 3           | 1                | 3                 | 5           | 6              | 4              | 2          | 3        |
| HIMACHAL PRADESH | 4           | 8                | 4                 | 1           | 2              | 2              | 3          | 4        |
| HARYANA          | 5           | 2                | 5                 | 7           | 5              | 7              | 5          | 5        |
| UTTARAKHAND      | 6           | 7                | 7                 | 3           | 8              | 5              | 7          | 6        |
| JAMMU & KASHMIR  | 7           | 9                | 6                 | 6           | 7              | 3              | 6          | 8        |
| RAJASTHAN        | 8           | 6                | 8                 | 8           | 3              | 6              | 8          | 7        |
| UTTAR PRADESH    | 9           | 5                | 9                 | 9           | 9              | 9              | 9          | 9        |

# NORTH AHEAD

A new cluster of states led by Delhi, Himachal Pradesh and the old warhorse Punjab is leading the race for investment and consumption, taking away the glory from the promising south and the legendary west
