

THE POWER OF

CONFIDENCE

Who would like to subscribe to a Mutual Fund and immediately thereafter receive solicitations for Credit Cards, Loans, Mobile connections etc? At CAMS we understand. In our role as Registrar to the Mutual Fund, we see ourselves as trustees of the investor's data just as the Fund is the trustee of the investor's wealth. So just as you are confident that your wealth is safe with the Fund, you can be confident that your data is safe with us. All required security and safeguards are in place to fulfil this. That's confidence. The CAMS way.
