

AS EXCITING UNDER THE BONNET TOO.

Technology you'll love to drive.

The Swift isn't just about stunning looks, but advanced technology. Get awesome power and class-leading acceleration with its advanced engine. Luxurious comfort with Automatic Climate Control. Feel totally safe with dual SRS airbags, and ABS & EBD. Top it all up with tilt steering, an audio system integrated in the dash and steering-mounted audio controls. Take a test drive and you'll agree that the Swift is India's most exciting car.
