

62,000 kms of pipelines laid
across five continents.
Made to transport oil & gas
across the harshest terrains.
Made against all odds.

MADE IN SAIPEM

A spirit that has made us what we are today - the world's leading Engineering, Procurement and Construction services provider in the Oil & Gas industry. With a never-say-die attitude that has resulted in landmarks that set industry standards. While we go about executing some of the world's most challenging offshore and onshore projects. In the toughest terrains. To help empower the world. Truly, it feels good to be here. To associate with us visit www.saipem-india.com
