

Now a winding road is the best way to unwind.

The new C-Class is here. Putting agility at your command.

Advanced engine generates more torque than ever in the new C-Class, enabling the 170 hp C220 CDI to deliver enormous power. Effortless handling turns driving into a pleasure, thanks to the AGILITY CONTROL system that automatically adjusts the suspension to changing road conditions.

Creating a ride as tranquil as it is thrilling. The 5-speed automatic transmission is capable of executing multiple gear shifts faster and more seamlessly, for greater agility. To feel winding road in a totally new way, contact your nearest dealer and experience the drive now. **Agility at your command.**
