IMPZ. Come grow with us.

The growth of businesses hugely depends on their location, the infrastructure supporting them, access to markets as well as suppliers and related interests. Which is why, we've created the International Media Production Zone or IMPZ. A unique place that supports and fosters like-minded media production companies, such as your graphic arts company, publishing firm, printing press, signage company and packaging company to help them grow, naturally. Here, you'll find all the ingredients for success. Simply plant your roots at IMPZ and soon you'll be reaching for the sky.

- A specialised free zone in Dubai dedicated to Media production industries.
- An initiative of TECOM investments (a member of Dubai Holding)
- 5 kms from new Jebel Ali airport & 12 kms from Jebel Ali sea port.
- Ideally located on Emirates road.
- Gateway to Regional markets, Indian subcontinent and CIS countries.
- 100% foreign ownership.
- Superior infrastructure.
