COMMANDMENTS OF INVESTMENT

- ① Investment is not a fad
- ② Invest for the long-term
- ③ Know the company you own
- ④ Don't buy or sell on rumours
- ⑤ Avoid peer pressure
- ⑥ Keep online tipsters away
- ⑦ Invest through mutual funds
- ⑧ Never borrow to buy stocks
- ⑨ F&O's gambling, not investment
- ⑩ Buy growth not momentum

WHAT'S HOT

Defensive stocks like staples, healthcare and public sector banks

Domestic growth themes like rural consumption (FMCG), select consumer goods and farm investment stocks

Capital goods, engineering, infrastructure, retail and media

WHAT'S NOT

Technology

Real estate

Metals

Stocks of broking companies

Corporate event players

Companies with large subsidiaries without visible income
