

Long ago, Hampi turned a mighty emperor into a poet.

Circa 1514. Rewind to Hampi, the capital of the Vijayanagara Empire. A city packed with surprises at every turn. Monuments that hide more than what they reveal. Architectural wonders, spellbinding sculptures, giant boulders, and above all, an awe-inspiring aura. No wonder, it inspired Emperor Krishnadevaraya to write 'Amuktamalyada', a classic poem of the times. Today, 2 World Heritage Sites, including Hampi, and scores of other monumental marvels await you in Karnataka... **With a thousand stories to share!**
