

GLOBAL indian™ INTERNATIONAL SCHOOL

Asia's Leading School

**Invites Proposals for
Co-Managed Schools
in India**

Start your Global Indian International School!

Global Indian International School (GIIS) is Singapore's largest International School with a network of schools across Singapore, Malaysia, Japan, New Zealand, Thailand, India and Vietnam serving international students of more than 30 nationalities.

Singapore based non-profit foundation, the Global Indian Foundation (GIF), has established GIIS schools across Asia and is led by internationally acclaimed and eminent leaders. GIIS education has received wide acclaim for its student centric holistic education.

To facilitate education partners to start a 'Global Indian International School' in the cities of India, with International Baccalaureate or IGCSE or CBSE curricula, GIF now offers the 'Co-Managed School' (CMS) programme. In CMS, GIF provides your school a global presence, as well as institutional branding, joint school management, academic excellence, operational best practices, faculty skills development and much more. The education partners provide the necessary capital and complete school infrastructure.

GIF invites applications from upcoming and existing schools interested in joining the CMS programme to start a Global Indian International School in your city. Interested should email school proposals to cms@globalindianschool.org.
