

Wink. 8.00 p.m.

Hi. I'm here to

- (a) Play hardball with clients at your business center (b) Inveigle a crusty banker into investing

in a casino after sundowners at the Wink (c) Massage a few egos while I opt for the Swedish version myself

Tonight, I'd like

- (a) Cary Grant and a hot pepperoni pizza (b) To dissect a contract and a hot appam at the

And perhaps wake up to

Konkan Café (c) To undress a sushi roll

- (a) A smoothie at my doorstep (b) A risotto

that tastes great even when it's not an expense write-off (c) The best Penang curry this side of the continent

And don't forget

- (a) I like my Martinis just the way Daniel Craig doesn't (b) I would rather go to bed armed with

goose-down pillow (c) I crave Naushad Ali's Nawabi Kali Dal

Because business can be demanding.
