

GETTING PRABHAKARAN

A rejuvenated Sri Lankan Army tightens the noose around the feared LTTE chief and his guerrilla force after recapturing territory in the east. Though the Tigers are down, they are still not out.

“We want to get Prabhakaran alive. He must be tried for the crimes he committed.”

MAHINDA RAJAPAKSE
PRESIDENT, SRI LANKA

The Sri Lankan Army Headquarters in the heart of Colombo is among the most heavily fortified complexes in the country. To get to the office of Lieutenant-General Sarath Fonseka, commander of the army, one has to go through a confusing maze of security checks. For good reason—a year and a half ago, a suicide bomb attack inside the headquarters by a Liberation Tigers of Tamil Eelam (LTTE) saw Fonseka seriously injured and hospitalised for months. Yet, that only steeled his resolve to wipe out the world's most ruthless terrorist organisation, whose members parade
