SANJEEV PURI

■ SANGEE COMMUNICATION

Sangee Communication was established in 1995 by Mr. SANJEEV PURI having long and excellent work experience concentrating on distribution of consumer telecom product. The product range has involved from standard telephones to feature phones, Cordless phones, thermal and laser fax machines, Palm hands and other product line. SCPL has the largest distribution network among telecom terminal equipment distribution in India. It was the first company to promote office automation product through the retail channel. SCPL has always treated after Sales Service as an important contribution to customer satisfaction. The service department is adequately staffed with technicians and engineers. It was the first company to enter the telephone instruments industry. The following objective constitute of SCPL's game plan.

- Establishment of SCPL has a strong umbrella for telecom equipment.
- Maintenance of high standard of product quality to be among the top players in every products and market segment.

The central office is equipped with the state of the art equipments. E.F key telephone with adequate storage capacity. In 2006-07 SCPL enhanced business operation to entire North India. SCPL now is super distributor for PANASONIC range of telecom equipment. SCPL further diversified in growing Digital camera market with Indian leading brand KODAK. In addition SCPL is also developing KODAK original accessories, rechargeable batteries and Chargers in entire NORTH INDIA. SCPL with its large distributor/dealer network, large corporate customers e.g. Bharati, Reliance digital, DMRC etc. is poised to grow further in times to come.
