

Wake up.

To a new political party that's **awake** and **...Answerable.**

Answerability! That's what Jago Party is all about. The brainchild of a group of well educated, non political individuals who have joined forces to right the wrongs preventing a truly Incredible India.

Wrongs, like the present caste-based Reservation policy which is rapidly dividing the country. Leniency for the corrupt and criminals who are today going scot-free. And sub-standard education, which is adding to the score of the educated unemployed. So, if you're in favour of mandatory job-oriented education for all Indians and 'No Reservation,' raise your hand.

If you're in favour of pardoning the corrupt and rapists, raise both hands...in surrender. Because Jago means business. In ensuring that the honest flourish and the guilty promptly punished. With death sentences where necessary.

So wake up. India has suffered enough. In silence...and in darkness. 24 hours electricity for all towns and villages, is a possibility through Privatisation when, the Government realises that 'doing business is none of its business'. Your voice and ours will help us realise this dream.

THE JAGO MANIFESTO

- No Reservation
- Hang the corrupt and rapists
- Court judgment in 3 months
- Jobs for all by mandatory job-oriented education
- 24 hrs. electricity for all towns & villages through Privatisation

SPEND RS. 2 - MAKE INDIA NEW!

Whenever you see any crime / corruption / injustice, write a post card to the head of the concerned department, local newspapers, TV news channels and of course, to Jago. Written complaints do work! Be an awakened citizen of India.
