

Being a child is no child's play.

Try living Chintu's life for one day and you will know why he needs Dabur Chyawanprash.

If you are one of those who wonder why your child needs Dabur Chyawanprash, here's a suggestion. Try living your child's life for just a day. A day that involves reaching school on time, long assembly line, tiring P.T./Drill period, followed by classroom lessons, lots of physical activity during lunch break and of course, loads of homework. Now, isn't it a tough life for your child? That's why your child needs something that keeps him healthy throughout all seasons. This is where Dabur Chyawanprash becomes critical. Dabur Chyawanprash, a gift of Ayurveds, increases 'Androoni Shakti' and keeps common ailments at bay. At the same time, it gives your child strength and stamina. It contains:-

● **Amla:** One of the richest sources of Vitamin C, Amla increases our immunity against common ailments. **Karkatshringi:** Guards against recurring common cold & cough. ✿ **Bala:** Provides strength to the body and helps fight weakness. What's more, Dabur Chyawanprash has a healthy mix of many other herbs that immensely benefit the young and old alike. Surely, now you know why your child needs Dabur Chyawanprash. Right?

It's a scientifically proven fact that regular consumption of Dabur Chyawanprash increases resistance.

*With 1kg Dabur Chyawanprash get 45g Dabur Honey free.
