>>>> SUMMIT 2007
MAKING OF THE INDIAN CENTURY

We gave the world geometry, zero and surgery.
What will India's ideas for this century be?

Announcing the Murugappa Group - NDTV Profit Summit 2007. A gathering of the finest minds to discuss the 'Making of the Indian Century'. Four sessions in Chennai, Kolkata, Delhi and Bangalore about Innovating to Win: How is Innovation Going to Drive the Indian Success Story, The Demographic Dividend, Hidden International Opportunities for Indian Companies and Can India Sustain its Success Story? Leading up to a grand caucus in Mumbai on November 29 with top management professionals and luminaries from a wide spectrum of industries. Come. Your time is now.
