

An illustration of lakeside living at Lavasa

Introducing Lavasa. Free India's largest Hill Station.

Lavasa, the largest Hill Station of free India, aptly symbolizes the new dynamism with which the nation is surging ahead. After all, Lavasa is a grand idea with a vision to celebrate life in full. A well-planned setting where you can 'Live, Work, Learn and Play' in harmony with nature. Here, technology co-exists with nature. An enterprising spirit complements a spiritual existence. And a cosmopolitan excitement is never far away from a tranquil life. Everything here is contemporary, yet timeless. Come to Lavasa. And experience the joys of life at every turn.

HILL STATION • Spread across 100 sq. kms. - almost 1/4th the size of Mumbai • 45 minutes from Pune • Choice of beautiful lakeside villas and apartments
 • Winner of two global awards for the concept of New Urbanism • State-of-the-art infrastructure, technology and e-governance • Three cosmopolitan town centres with distinct identities • Finest education institutions • International Tourism, Hospitality, Healthcare, Convention and Entertainment Centres.
