

Celebrate the people who are taking Corporate India global.

It's time to recognise and honour one of the reasons for India Inc.'s global evolution. The CFO. These men and women are revolutionising the role of CFOs across the world. Apart from being wealth creators, they continue to guide Corporate India's global aspirations with knowledge and vision. HSBC and CNBC-TV18 present the CFO Awards 2007. More than an award, it's a tribute to the global spirit of today's CFO.
