ABOUT A CARDIAC SURGERY.

At Fortis Escorts, we give life restoring cardiac care. Our comprehensive cardiac program, which includes Adult and Pediatric Cardiology & Cardiac Surgery, Minimally Invasive & Robotic Cardiac Surgery and Electrophysiology & ICD implants, is one of the world's largest. And it is active in our 5 centers across NCR. With 20 lakh relieved hearts, we are today one of the most trusted names in India and abroad. Our panel of world renowned specialists perform over 6000 open heart surgeries, 5000 angioplasties and 16000 angiographies in a year. And with each new day, we are adding better procedures, pioneering breakthroughs and constantly seeking ways to keep you upbeat with life changing possibilities.
