

The smile comes from within,
but the reasons are all around.

CHOICE HOTELS

INDIA

TM

You don't have to go to the ends of the earth for great discoveries. Just living in the right environment can open up different worlds.

Just as millions across the world do, by picking a Choice hotel each time they travel.

Profiting not just from the charm of the destination, but also from the international standards of living and service that come with each stay.

Choose from over 30 Choice hotels in India, in over 20 destinations, whenever you next travel.

You'll agree, even traveling out can help you discover worlds within.
