

International University at Neemrana. The project with a value of Rs 150 crore is slated to start soon. NIIT, global IT & services giant, is also coming up with a Private University at Neemrana. The project would involve an investment of Rs. 250 crore and is expected to start its operations. Land has already been allotted by the Government for this project.

Up to Higher Education, ten universities namely Jaipur National University, Jaipur, NIMS University, Jaipur, Amity University, Jaipur, Rampat Singhania University, Udaipur and Singhania University, Jaipur, Badi Jhunjhunu, Bhagwant University, Ajmer, Jagan Institute of Management Sciences, Jaipur, Jyoti Vidyapeeth University, Jaipur, Suresh Gyan Prakash University, Jaipur, Jodhpur Private University, Jodhpur have been established.

To improve the quality and delivery of educational services, 25 MOUs for setting up Private Universities in the State were signed by the Government of Rajasthan at 'Resurgent Rajasthan-Partnership Summit' held in Jaipur with the total investment of Rs. 2278 crore. Progress has been made in the field of Technical Education. The State has witnessed unprecedented change in its overall education system and the number of institutions has increased to 729 from 239 in 2003-04. Capacity having tripled at 82,000 in 2007-08 from 27,000 in 2003-04 respectively. The State now has 64 Engineering Colleges as against 39 in 2003-04. Same growth momentum can be seen in Polytechnic and ITIs where number has increased to 38 from 23 in 2003-04.

The Government is constantly working to achieve the excellence in education in the State by its various schemes and incentives. Several agreements signed during the Resurgent Rajasthan Summit work is in progress on the Amity Education Centre, Jaipur, Gyan Raman Charitable Trust, Sirohi, Mahatman Education Trust, Shikshan Sansthan, Sawai Madhopur and Tagore Balika Education Trust, Nagaur. Projects besides seven Women Polytechnics have been set up at Dholpur, Bhilwara, Dausa, Jaisalmer, Dungarpur, Jaipur and Udaipur.

One of the pioneers in encouraging public-private partnership in education. The Rajasthan Education Initiative (REI),

To improve the quality and delivery of educational services, 25 MOUs for setting up Private Universities in the State were signed by the Government of Rajasthan at 'Resurgent Rajasthan-Partnership Summit' held in November 2007 in Jaipur with the total investment of Rs. 2278 crores.

launched in year 2005, has evolved as a showcase of the public-private partnership in the field of education. The REI, focuses on girls, rural children, urban under-privileged children, and children with special needs, through various ICT and non-ICT track interventions.

It aims at supporting the State efforts in achieving equitable access, enrolment and retention of children in schools, reducing gender disparities, addressing geographical and physical imbalances, promoting skill development and enhancing learning levels through ICT and non-ICT interventions in collaboration with REI partners. It has engaged global and national partners from the private sector, foundations and NGOs to support public education in the State of Rajasthan. Microsoft, IBM, Intel, Azim Premji Foundation (APF), Bharti Foundation and K.C. Mahindra Trust are some of the partners of the State in REI. At the same time, REI has also engaged NGOs and foundations to mobilize, sensitize and involve the communities in the educational processes, strategies and outcomes.

The present leadership is committed to take it to next level where Rajasthan will set an example for other states to follow the efforts undertaken by present Government in transforming higher education in the state.
